Shorting Transports

8/13/2008 9:45 AM EDT

I have taken a very small trading short in the transports using the iShare Dow Jones Trans ETF (IYT)

Position: IYT - short stock

Let's Not Forget That This Is Expiration Week

8/13/2008 11:45 AM EDT

This week is expiration so we should be expecting a fair amount of volatility. The SPX made a run at 1,300 early in the week and is now being attracted back to the 1,275 strike. Something to consider as you watch the market action.

Position: None
